# ABOUT US

Formerly known as BJ Cuizon Construction from 2010 to 2018, B&R Engineering Works and Supplies emerged as a rebranded entity in 2018, upholding a legacy of craftsmanship and commitment. As a single proprietorship, we prioritize adaptability, efficiency, and personalized service, marking our transition not just as a change in name but as a renewed dedication to our craft and clientele.

Specializing in tailored construction solutions for residential, commercial, and industrial projects, B&R Engineering Works and Supplies brings expertise, innovation, and reliability to every job site. Our team of seasoned professionals and skilled craftsmen is dedicated to exceeding expectations, setting industry standards, and building lasting relationships with our clients, suppliers, and partners.
